The Mac & Cheese Contest will be held near the gazebo in downtown Genoa. All mac & cheese must be in a roaster or crockpot, it is suggested at least 2 crock pots full. The Committee will provide all the tasting utensils, but we ask that you make a name card. Tasting will begin at noon so we ask that all Mac & Cheese be brought between 11:00 and 11:30.

The winners of the Mac & Cheese will be announced at 4:00 pm right after the pie contest winners in the entertainment/beer tent.

There is a \$10.00 fee to help cover the cost of the tasting utensils. Checks can be made to the Genoa Area Chamber of Commerce/ Harvest Fest. You may turn your registration form and money in before at the Village of Genoa or bring it the day of tasting.
